WASTEWATER TREATMENT PLANT OPERATOR – CHINCOTEAGUE, VA

Environmental Systems Service, Ltd. (ESS) is currently seeking a full time Operator with a minimum Class III Virginia wastewater license for the Chincoteague, Virginia area. The position requires the ability to work independently in the operation of a variety of small package wastewater treatment plants in various locations. In addition, must be able to provide supervision and scheduling for other employees as well as oversight of overall operations. Duties include: The monitoring and adjustment of process control equipment; on-site testing to determine chemical dosage; sample collection for off-site testing; maintaining records of all monitoring information including a daily logbook, maintenance records, and instrument calibration records. In addition, the successful candidate will also be expected to perform routine maintenance and to verify the proper operation of equipment. Must be willing to work overtime, weekends, and/or holidays as needed.

Salary is based on several factors, including experience, and is evaluated on an individual basis after an application has been submitted.

Full time employee benefits include two weeks of vacation after 12 months of continuous employment, five sick days each year, and nine holidays. We provide employee medical and life insurance with a monthly employee contribution of $50.00. Uniforms provided. ESS also offers a 401(k) retirement plan.

An application may be downloaded from the website at www.ess-servies.com . Complete and send to info@ess-services.com or fax to 540-825-4961. Should you have any additional questions, please feel free to call Human Resources at 540-825-6660.
