

WASTEWATER TREATMENT PLANT OPERATOR

Environmental Systems Service, Ltd. (ESS) is an environmental services firm located in Culpeper, Virginia. ESS has been a leader in water & wastewater treatment operations and maintenance for over 45 years. The company also maintains a state certified environmental laboratory, which supports our Environmental Services Division, as well as performing water, wastewater, and soil testing from outside clients.

We are currently seeking a full time Wastewater Treatment Plant Operator (certification is a definite plus) for a site in the Alleghany County, VA area. The position requires the ability to work independently, and duties include: The monitoring and adjustment of process control equipment; on-site testing to determine chemical dosage; sample collection for off-site testing; maintaining records of all monitoring information including a daily logbook, maintenance records, and instrument calibration records. In addition, the successful candidate will also be expected to perform routine maintenance and to verify the proper operation of equipment. Must be willing to work different time shifts, overtime, weekends, and/or holidays as needed.

An excellent driving record is required. Salary is based on several factors, including experience, and is evaluated on an individual basis after an application has been submitted.

Full time employee benefits include two weeks of vacation after 12 months of continuous employment, five sick days each year, and nine holidays. We provide employee health insurance with a minimum monthly employee contribution of \$50.00, as well as company paid life, dental, and disability insurance on employees. ESS also offers a 401K-retirement plan.
