

WASTEWATER TREATMENT PLANT OPERATOR TRAINEE – FULL TIME

Environmental Systems Service, Ltd. (ESS) is an environmental services firm located in Culpeper, Virginia. ESS has been a leader in water & wastewater treatment operations and maintenance for over 43 years. The company also maintains a state certified environmental laboratory, which supports our Environmental Services Division, as well as performing water, wastewater, and soil testing from outside clients.

ESS is seeking a full-time, Wastewater Treatment Plant Operator Trainee in the Eastern Shore/Chincoteague area. A wastewater license is preferred, but not required; we will train. Science background with a mechanical aptitude is a definite plus. Weekend work is required; with some flexibility in scheduling. Job responsibilities include the monitoring and adjustment of process control equipment, on-site testing, sample collection, maintaining records of monitoring information and routine maintenance.

Salary is based on several factors, including experience, and is evaluated on an individual basis after an application has been submitted.

Full time employee benefits include two weeks of vacation after 12 months of continuous employment, five sick days each year, and nine holidays. We provide employee health insurance with a monthly employee contribution of \$50.00, as well as company paid employee dental, life, and long term disability insurance. ESS also offers a 401K-retirement plan.

Applications may be obtained online at www.ess-services.com and sent with your resume, including references, to info@ess-services.com or faxed to Human Resources at (540) 825-4961. Should you have any additional questions, please feel free to call Human Resources at (540) 825-6660.
